Hello! Since 2003 I've been a D.P. on projects for major studios entrusting me with enormous brands as well as low budget work. I've shot film and digital of all types including RED and Arri Alexa cameras. I own a Red Monstro 8K Vista Vision camera and have been an expert in 4K+ resolutions since 2007. Contact me for a free consultation. I look forward to working with you!
